Planning for a safer Tasmania

2023-2026

Helping Tasmanians to call out crime safely and privately

Crime Stoppers Tasmania is an independent not-for-profit community organisation and registered charity which has been operating in Tasmania for three decades. We are affiliated with Crime Stoppers Australia and Crime Stoppers International.

Crime Stoppers provides safe ways for people to anonymously provide information about crime when they do not wish to speak with police.

I am proud to say that I have been a part of the Crime Stoppers' journey since inception.

Crime Stoppers Tasmania has, over the years, been recognised both nationally and internationally for our leadership, collaborative partnership with Tasmania Police and for our community engagement. This is evidenced by our long history with our partners, sponsors and supporters.

Enabling people to anonymously provide information relating to crime and suspicious behaviour has and will always be at the core of everything we do.

It has been my great pleasure to serve the community through Crime Stoppers Tasmania!

Hello from the CEO

Crime Stoppers Tasmania exists to make reporting crime safe and simple.

We know people may witness or hear about crimes but feel uncertain or scared to act. We're here to provide a secure, anonymous way to report vital information, focusing solely on what you know, not who you are.

Crime Stoppers Tasmania continues to grow our impact, with an increase in reports received and greater community use of our online reporting portal. Crime Stoppers Tasmania's community reports contribute to 30% of Tasmania Police's intelligence holdings.

Together we are keeping Tasmania a safe place to live.
